## E-NEWSLETTER

### Sound Supporters

Along with Alzora Wood, Skip and Barbara Pendry have been keeping the Friday Night Jamboree on the tracks for many years. Dedicated to supporting our local music, and generous participants in the community, they can be found at the ticket counter and sound board practically every Friday

night. Skip and Barbara are pictured here with our wonderful volunteer Eddie, who regularly stays on to the very end stacking chairs and moving furniture. Many thanks to all of them.

### The Volunteers

Once in a while we have to make a last minute scramble to pull a band together. This being Floyd it usually turns out well! Everyone had a great time when this quirky band of talented volunteers took the stage last Friday – Bill Richardson, Greg Ward, Timmy Mills, Tim Pack and Stewart Scales quickly showed themselves to be real pros – and the dancers enjoyed every minute of it.

### The Floyd Radio Show

Join us tomorrow for the first [Radio Show](#) of 2013! Special guests this month include the [Black Twig Pickers](#) and Songwriter [John Lilly](#). Based on both sides of the Virginia-West Virginia line, the Black Twig Pickers have kicked up a fiddle

and banjo, guitar and washboard ruckus for over a decade. The band specializes in regional old-time tunes learned from master players and from studying archival and home recordings. John Lilly is a multi-talented acoustic music performer from Charleston, West Virginia, specializing in Americana, country roots, and traditional folk music. He writes new songs that sound as old as the hills, and performs older songs like they were made yesterday. According to one reviewer, "If Hank Williams had a sunny disposition, he'd be John Lilly."
