January 2014 Newsletter

What is a Jingle Tap?

Those who have been watching carefully will have noticed that our lunch counter now has a name—The Jingle Tap Café. And

some may be asking, well what is a jingle tap? Our Friday night crowd is very familiar with the sound that comes from these dance taps. They consist of one tap fastened securely to each dance shoe, with another tap fastened much more loosely. When the shoe moves the loose tap hits both the floor and the fastened tap, making a strong percussive sound. Jingle taps are definitely for the pro dancers, as every move you make is clearly heard and must correspond with the beat of the

band, or it can cause chaos on the dance floor! We're not wearing jingle taps in the café, but we do love our music and dancing and the well-worn traditions of the Floyd Country Store.

Don't Forget Your Valentine

We have lots of great gifts for your favorite people right here in the store and [online](#). In this cool weather, cozy hats, scarves and gloves make great gifts, or luxurious locally-made soaps and lotions. Or make them smile with a collection of Appalachian songs and stories recorded live here at the store by Costa, Campbell and Lloyd. We'll be happy to make up a custom basket for you at the store, so come by and take a look.

Start 'em Young!

These two youngsters were having a great time dancing to the old-time music at the Sunday Jam. There is an opportunity for

everyone to get out on the dance floor and have fun, and we see folks of all ages getting up to dance. Our old-time jams happen every first and third Sunday from 2:00pm to 4:00pm and bluegrass every second and fourth Sunday. Join Mac Traynham and friends this week for some great old-time picking.
